

Kind hands,
Kind feet!

I have 2 hands

and 2 feet

I can use my hands to have a hug, colour and play with my toys.

I can use my feet to run and
kick a ball.

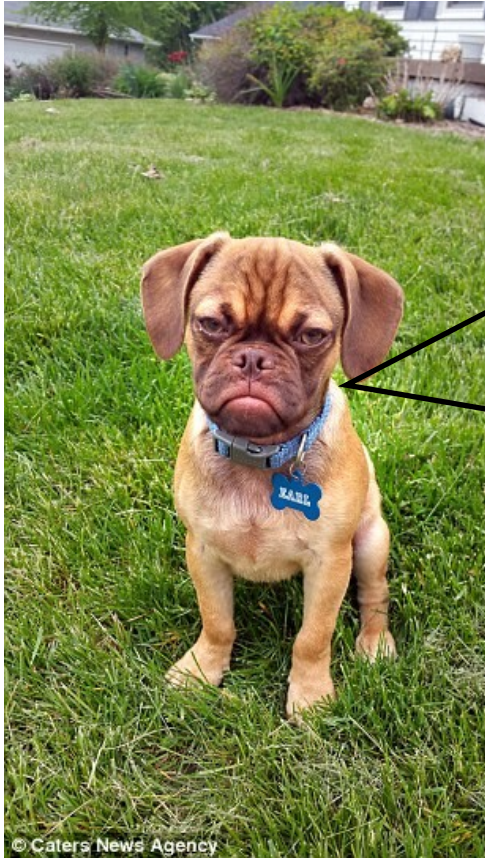

Sometimes I use my hands and feet to hurt others and this makes them sad.

Would you
like to play
with me?

I can use my words to let others
know what I want.

I don't
feel very
happy.

I can use my words to let others
know how I feel.

Using my kind hands , kind feet
and words will keep everyone
safe and happy at home and
school.
