TEAGUES BRIDGE PRIMARY

THE BEATING HEART OF THE COMMUNITY

Dear Parents and Carers,

BASE 7, 8 and 9:

Base 7, 8 and 9 had a great day out at the discovery centre. They particularly loved the walk in the snow on the Tuesday. Staff said their behaviour was exceptional, very proud of you all.

UNIFORM:

Just a reminder about uniform - all children should be in school uniform and should not be forgetting their uniform when they are coming in their PE kits if they have PE first on a Monday, Thursday and Friday. Children should also be wearing school black shoes and not trainers, this is part of the school uniform policy. We do understand from time to time children out grow their shoes, if they have to wear alternative footwear please try where possible to ensure it is black and email the office to let us know.

Jewellery - Children should not be wearing dangly earrings, these can be a health and safety risk when children are playing and get caught on their clothing and other children's clothing and could potentially tear their earlobe. Please wear studs only.

PE KITS:

During the winter months, children can wear tracksuit bottoms, these should be plain and not sports brands, they should be navy blue or black. They should still be wearing the school logo PE t-shirt with their track suit bottoms

ATTENDANCE:

Please ensure you are familiar with the new attendance policy, this was sent out to you at the end of the summer and again in September. It is also available on the school website. If you cannot find it and would like a copy please email the school office: A2191@telford.gov.uk. It outlines all the new changes particularly with regards to the request for leave in term time and unauthorised absences that can also lead to a fine.

If your child is absent from school for any reason, please ensure you contact the school office: 01952 388450, to let us know the reason for the absence.

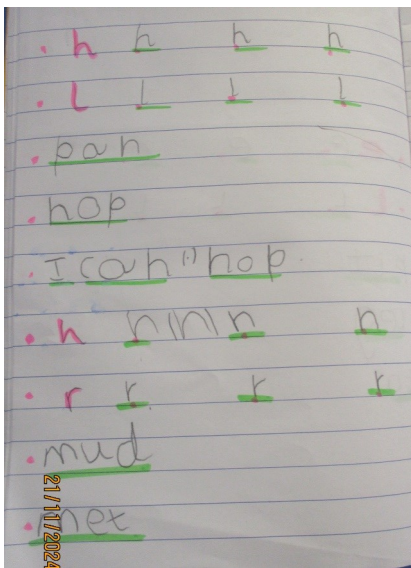

This week in Turtles Class.....

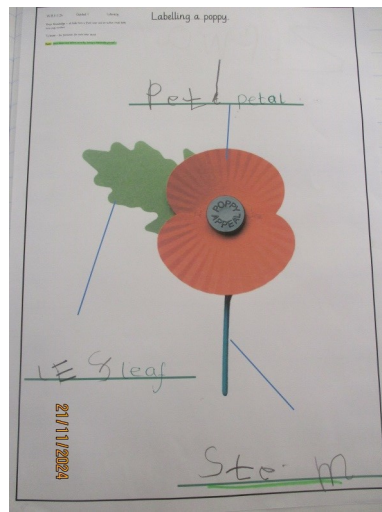

In base 1 this week our focus has been looking at Remembrance and the story of the Gingerbread Man. We painted our own poppies and thought about the colours we needed to use.

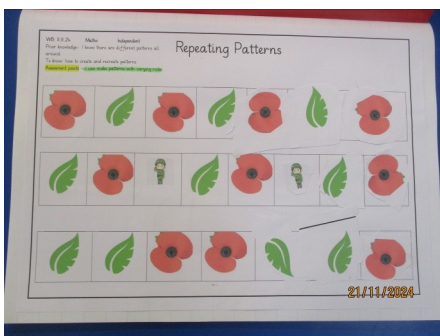

In Read Write Inc this week we have been learning our new sounds from set 1.

In Literacy we have been writing some words using the sounds we have been learning in our phonics. We have been discussing the main character in the story and what their feelings and motives were.

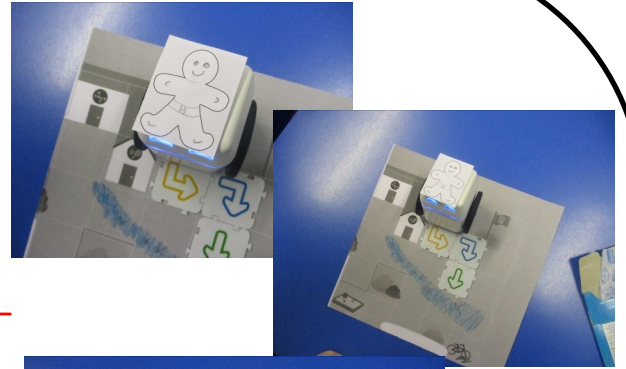

In maths we have been making repeated patterns using lots of different ways. Our ten town number of the week is 4.

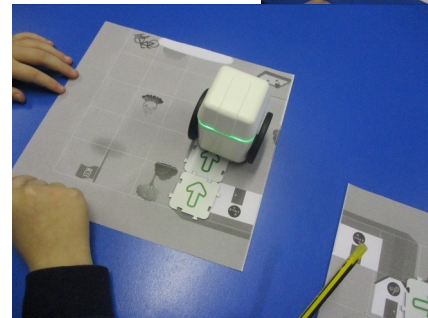

This week in Starfish..

In literacy, we have been reading the Gingerbread Man. We made our own map for the Gingerbread Man using Robots and we have also written adjectives to describe the gingerbread man.

We have also used puppets and masks to act out the story of the gingerbread man.

In maths, we have been learning to tell the time to the half past and the o'clock. We have established why it is important to be able to tell the time and what we use time for.

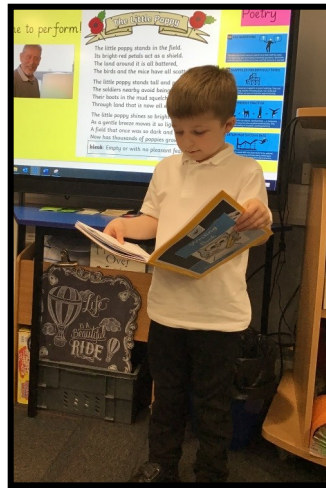

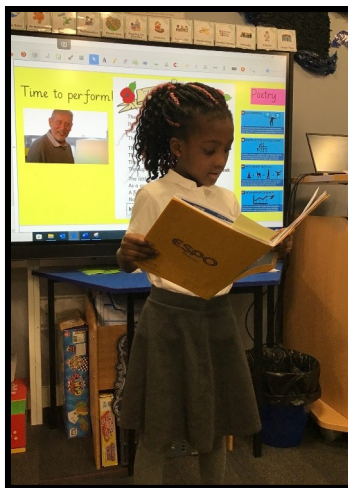

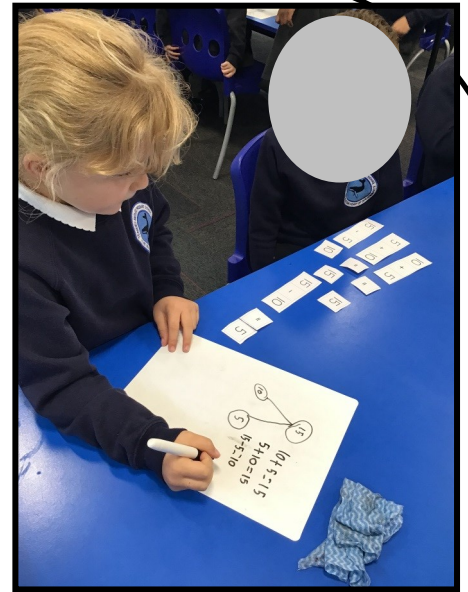

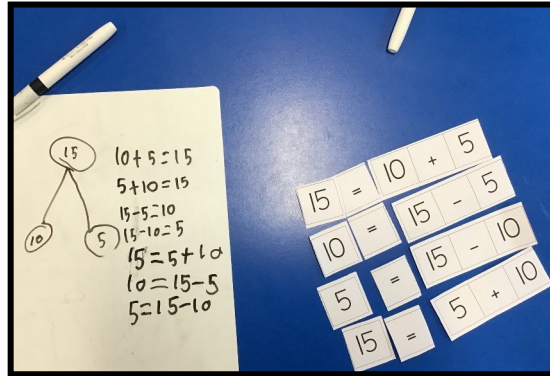

In Science we have been learning about materials. We found different objects in our class room and discussed what they are made from. We focused on glass, wood, metal and plastic. We talked about these materials properties.

This week in Seahorses...

Maths

This week in maths, we have been securing our understanding of fact families and how addition and subtraction are related. This children found it tricky to understand that the whole number and = might be at the start of the number sentence, so we used moveable calculations to see what changes & what stays the same.

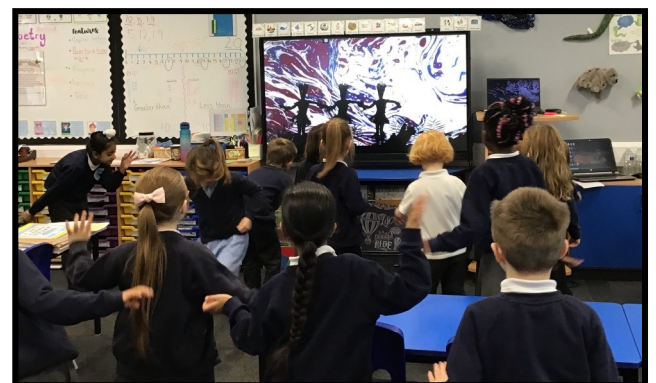

Literacy

In literacy, we completed our poems, redrafted them and then performed them to the rest of the class. It was so wonderful to see how proud the children were of each other during their performance and understand how poetry and writing can be enjoyed.

Musician of the Month

This months musician is Bjork and the children have loved dancing to her song 'Earth Intruders' and seeing the visual arts in the music videos she has created.

Interfaith week

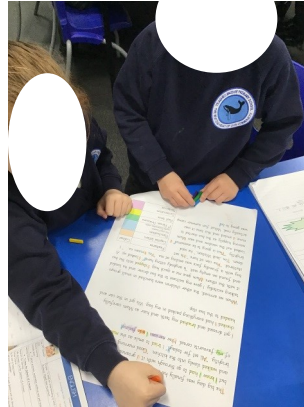

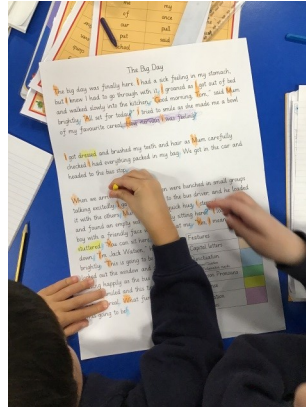

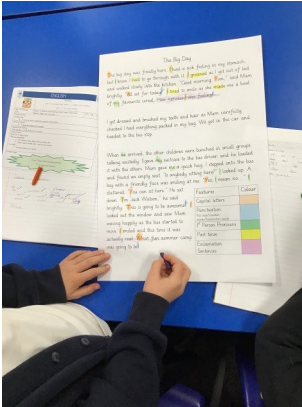

The children looked deeper into festivals across religions and then created their own divas.

This week in Dolphins...

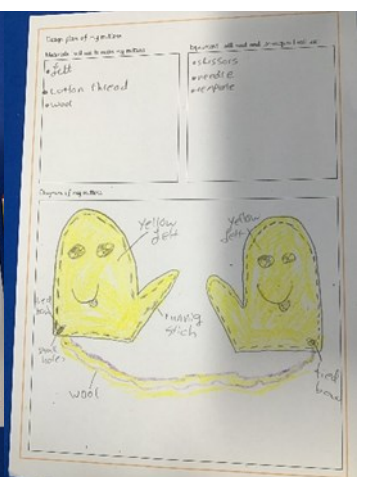

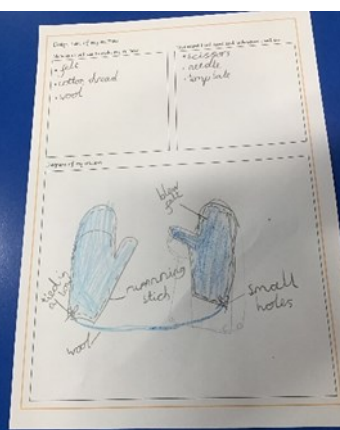

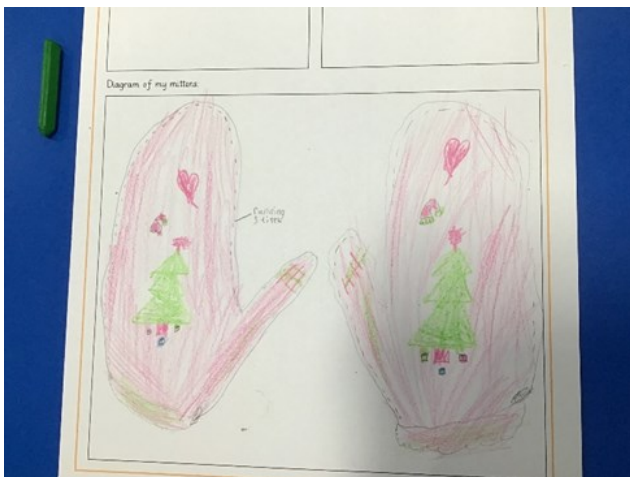

Literacy

In Literacy children have been learning how to write a Recount. This week children learnt the features of a recount. Children reviewed 1st Person pronouns, exclamation sentences and past tense verbs from previous grammar lessons and learnt the meaning of "chronological order". Children were then given an example of a recount with a checklist of the features, they used crayons to colour the features in the text as they found them.

Design Technology

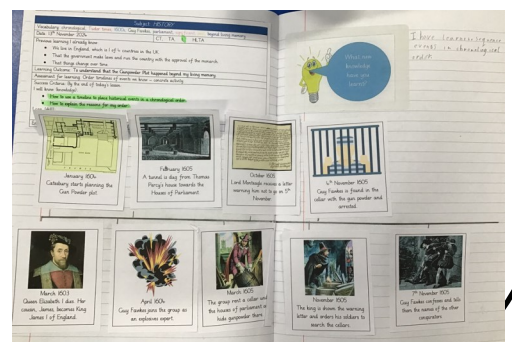

In DT children are preparing to make a pair of mittens. Last week they evaluated different pairs of gloves and mittens, discussing the user and purpose of each. This week they were set the task of designing a pair of mittens for Jigsaw Jo (our class PSHE mascot) they were given a design criteria and designed their mittens in readiness to learn sewing techniques next week.

History

In History children have been learning about the Gunpowder Plot. This week they learnt how to order the events on a timeline, and learnt that chronological order is the order that the events happened.

Homework of the week award

We have introduced a new award for Friday's award assembly.

This is in recognition of the fabulous homework most of our children produce. It is also to show the importance of doing homework.

We need to ensure that children are equipped to be able to complete homework, as a school we are looking at our homework offer and adapting it to meet the needs of the children.

The most important homework your child can complete is reading, this opens the doors to all other learning in school and in life.

Each Base has nominated two children for this week's homework of the week award

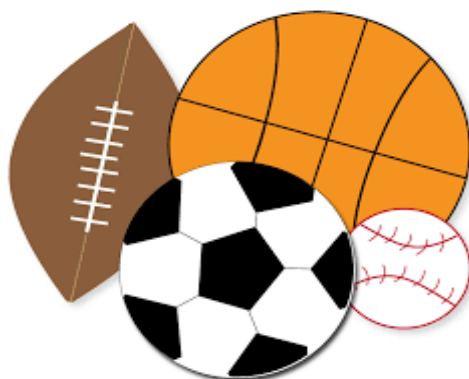

Turtles	Zhaire	Gabriel
Starfish	Verity	Charlie
Seahorses	Clark	Simran
Dolphins	Ellie	Theo
Seals	Nicholas	Luna
Swordfish	James	Indi-Rae
Belugas	Annabelle	Ismail
Octopi	Iris	Aryan
Sharks	Michal	Evelyn

Star Player of the week award

On Monday, Thursday and Friday, all children have PE. This is delivered by the Crossbar coach. The coaches have recently introduced star player of the week from each base. This is because of the effort they make and the sportsmanship they show. Please see the children chosen for 'Star Player of the week' award this week.

Turtles	Miran
Starfish	Tommie
Seahorses	Bridget
Dolphins	Jacob
Seals	Leon
Swordfish	Jaskarn
Belugas	Jairaj
Octopi	Luna
Sharks	Callum

Friday Awards

Our Awards Assembly takes place on a Friday via Microsoft Teams. Children were awarded with their certificates in class. Please see below a list of the children who have received awards this week.

Base	Star of the week	Worker of the week	Whale Rules Champion	Respectful Rangers	Handwriting Heroes	Punctual Panda	Best attendance
1	Reggie	Freddie Sadan	Casper George	Yuvraj Archie	Matei	Zachary	Antoni
2	Amelia	Molly Logan	Mathias Ellie	Esmee Winter	Roman	Millie	Lottie
3	Emilia	Nathan D Oliver	Jaipreet Brendan	George Ava	Oscar	Amrita	Nathan E
4	Heidi	Jenson Lexi	Olivia Sohaib	Preston Harnoor	Leyla	George	Tymoteusz
5	Teddie	Lewis Retal	Ebony Poppy	Thiago Harrison	Jenaya	Sophie	Matilda
6	Macey	Max Layton	Phoebe Koray	Harrison Tymon	Corbyn	Ivy	Ishaan
7	Amelia	Emma Freya	Daniel Jessica	Harry Erin	Freddie	Leo T	Reuben
8	Darwin	Clim Emily	Nikola Jaiton	Ollie Lilly	Sean	Layla	Mason R
9	Isabella	Grace Dominic	Ajai Oceane	Phoebe Isla	Ellysia	Jayden	Lexi

Best class attendance this week:

KSI - Dolphins - 96% - FANTASTIC

KS2 - Sharks - 98% - SUPER

How can we raise awareness of important issues?

Earthshot Prize 2024

In the news this week

This year's Earthshot Prize winners have been announced. Prince William, who launched the prize in 2020, closed the award ceremony in Cape Town, South Africa. The Earthshot Prize celebrates and supports people and companies working to provide innovative solutions for climate and environmental issues. The winners include projects to protect animals, handle rubbish and prevent wasted energy.

Things to talk about at home ...

- Can you tell someone at home a bit more about the Earthshot Prize?
- Do you believe awards are a good way of raising awareness about important issues?
- Have you ever taken part in or contributed to a project with the aim of helping protect and look after the world? Ask others at home whether they have.

Please note any interesting thoughts or comments
