Outstanding Work of the Week

When Plop came he went close to the branch then he heard heard a person talking and he wanted to see who it was. He saw a boy gardening by the fire and someone collecting sticks and everyone else were playing. The boy was wearing short pants and top that looked like he was wearing a uniform. Plop wanted to go to the boy so he took a deep breath and went onto the branch he felt a little better than last time. When he met the boy he asked what was he and the boy replied that he was a boy scout. Plop was so confused what the boys were doing and he said "what are the other boys doing?" Then he asked "can I stay? If you were in the uniform you will look jolly so Plop felt disappointment when the boy said that. The boy wanted to cheer him up so he said Plop can stay but he needed to tell his mum. Plop went back to his mum and asked his Mum he can stay for the night with the boy scout. Plop's Mum was looking mad. Plop just went away because he was excited. He told the boy that his Mum said yes & Plop could stay. He Plop asked do you like the dark "OH Yes Dark IS FUN! When the boy finished talking the ghost began when Plop asked a potato the ghost it because he know that Owl's like

TEAGUES BRIDGE PRIMARY

THE BEATING HEART OF THE COMMUNITY

Dear Parents and Carers,

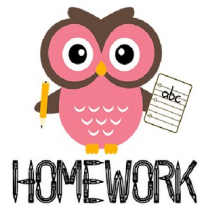

LITTER PICK COMPETITION

On Wednesday 10 year 6 children took part in the Spring community litter pick. They went out armed with bin bags and litter pickers. They went up the Crescent and around the bottom field near the pool. The children collected 10 bags of litter. They were only allowed 2 hours. Mr Hale went with the children and they were accompanied by Mr Stephen Reynolds, school governor and Mayor of Oaken-gates. There are some pictures further on in the newsletter.

HOMEWORK CLUB:

We will be starting a homework club the second week after Easter. Please sign up via Parent pay if you would like your child to attend. This will be Monday 3.15-4.15 for KS1 and Wednesday 3.15-4.15 for KS2. It is an opportunity for children to complete their homework if they are not doing so at home. There will be no charge for this club.

VERBAL ABUSE

I would just like to remind you all about verbal abuse and shouting at adults in school. Teachers and Teaching assistants and Office staff do not deserve to be shouted at. If you are upset with a matter that has arisen or you are not happy with something you approach the office, teacher, TA in A CALM MANNER. I have been informed by the police that I hold the right to contact them and report any parent who is verbally abusive or aggressive to them. This also applies to the verbal abuse on the telephone. This must stop and will not be tolerated anymore.

TEAGUES BRIDGE PRIMARY

THE BEATING HEART OF THE COMMUNITY

Teagues Bridge year 6 children take part in school competition to collect litter.

To support the national Great British Spring clean, Telford and Wrekin have launched a litter picking competition. This week 10 children from year 6 took up the challenge to collect as much litter as we could in 2 hours.

The children headed off into the local community with bags and litter pickers in hand!

Our litter picking team before heading off into the community

Heading deep into the undergrowth!

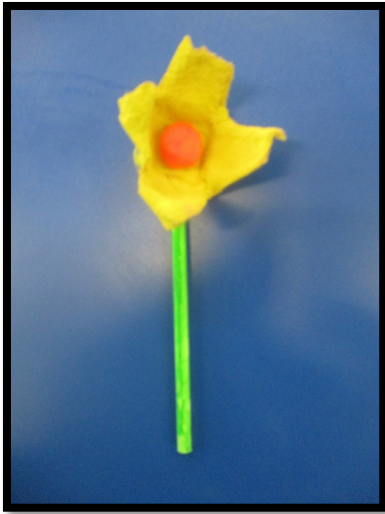

We collected 10 bags of litter with the help of our choir of governors, Steve Reynolds

This week in Turtles Class.....

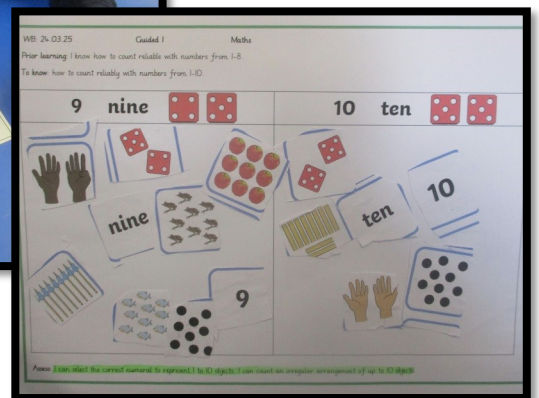

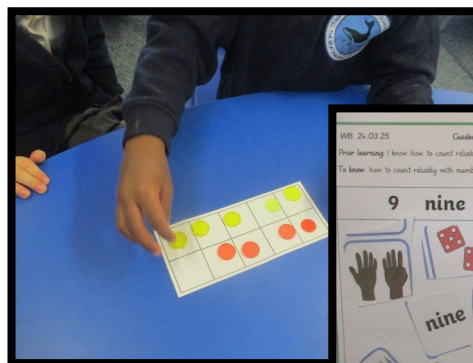

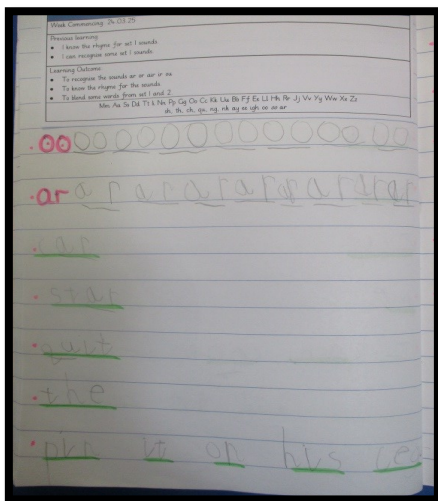

In base 1 we have been busy creating our own daffodils out of egg cartons and a straw.

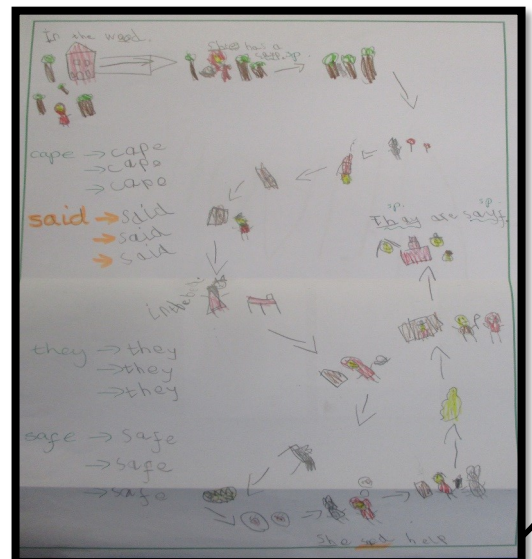

In Read Write Inc this week we have been learning our new sounds from set 1 and some set 2.

In maths we have been focusing on numbers 9 and 10 and knowing its value. Our ten town number of the week is 4.

In Literacy we have been writing about the story 'Little Red Riding Hood'. We have story mapped with pictures and words.

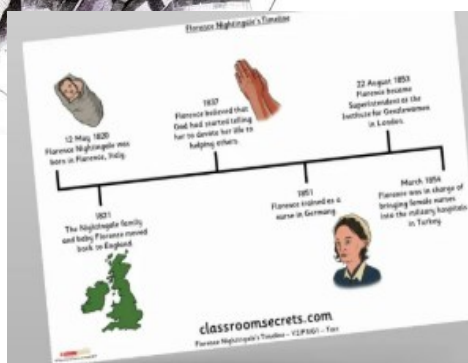

This week in Starfish..

In Literacy, we have been reading the story Little Red Riding Hood and focusing our sentences on using the conjunction 'and'. We learnt that we can write longer and more interesting sentences if we use 'and' to expand our sentences. We have been ordering the story of Little Red Riding Hood using images and writing sentences that match.

In Science, we have been learning about forces. We learnt that pushing and pulling are forces and where we would use them. We learnt that pushing is moving something away from us and pulling is moving something closer.

In History, we learnt about the real life superhero, Florence Nightingale, we learnt about her ready to learn about today's nurses next week with a visit from a nurse.

In Maths we have been learning about fractions, in particular, quarters. We learnt that quarters are 4 parts and that the parts must be equal. We have been learning to find a quarter of a shape and a quarter of a number.

This week in Seahorses...

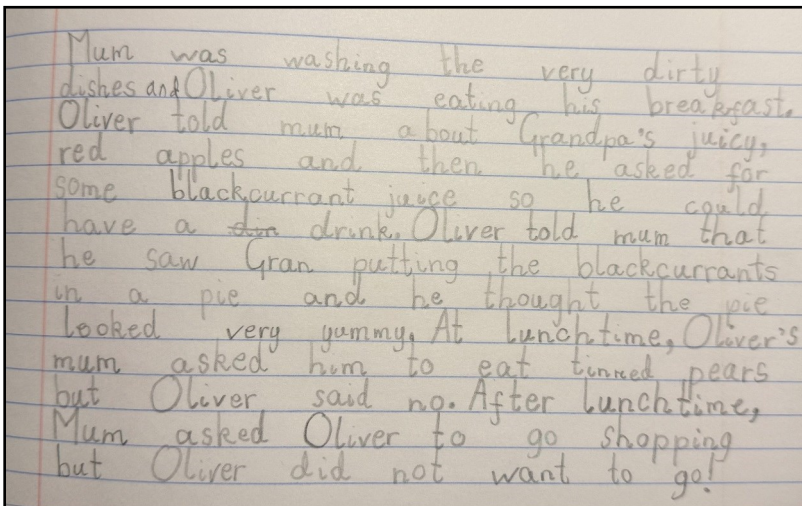

Geography

This week in Geography, the children used their ICT skills to digitally locate Egypt and research key items that they would find in Egypt. Next week, children will be comparing the Egyptian coast to Barmouth!

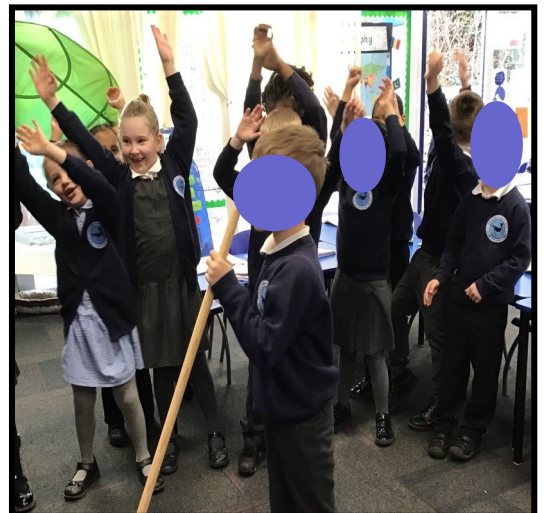

Literacy

Over the term in writing, we have been learning lots of new grammar, such as; conjunctions, commas in a list and expanded noun phrases. We are learning to combine these skills with our neatest handwriting and this week we published part of the story. Next week we will be creating a new story!

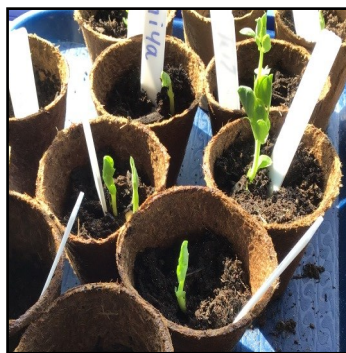

Musician of the Month

This month's musician is Freddie Mercury and the children loved listening to the genre of rock and roll! They took turns performing some of the famous songs from Queen, with the crowd joining in with our own Freddie's huge stage presence! The children also thoroughly enjoyed using body percussion to recreate the famous stomp-stomp-clap pulse to 'We will rock you.'

Science

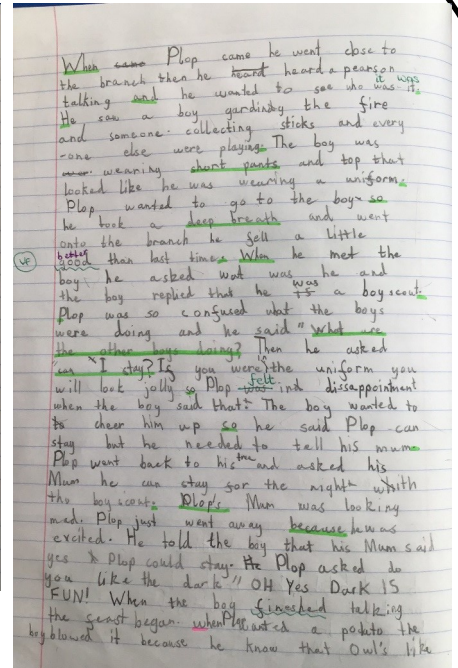

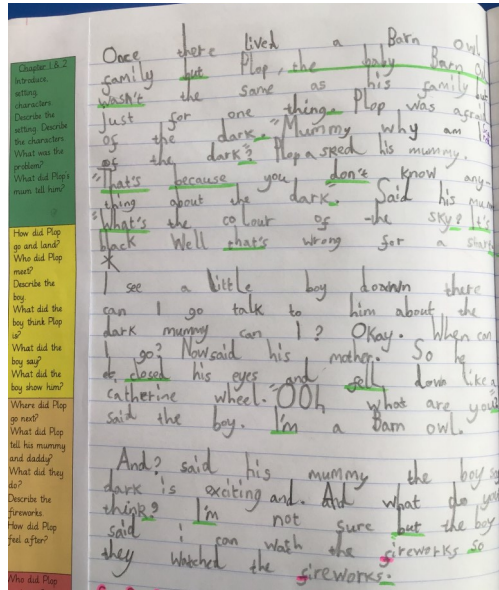

In Science, our pea plants have sprouted and some are growing super fast. The children are enjoying observing their plants!

This week in Dolphins...

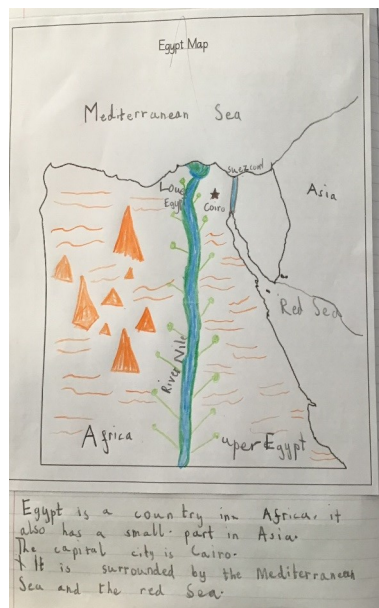

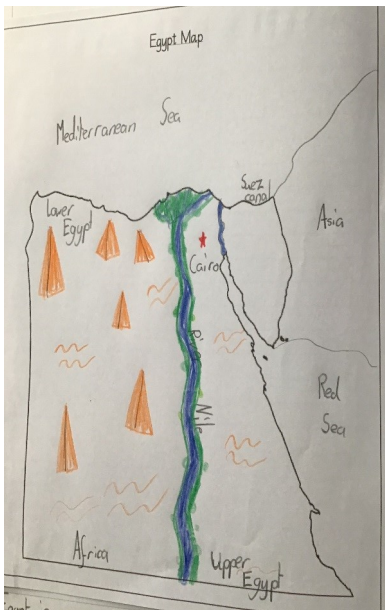

Literacy

This week children have been writing the story *The Owl Who is Afraid of Dark*. They have been learning to use subordinating conjunctions to add more detail to their sentences. Next week children will change the animal in the story to another nocturnal animal to write their Chance to Shines.

Geography

In Geography children have been learning about Egypt. They learnt the location and geographical features of Egypt and spent time creating a map. They were able to label the capital city, surrounding seas and the River Nile.

Science

In Science children have been growing their own pea plants. Each week we are recording the progress of their plants, by recording the length they have grown. Everyone's peas are growing very quickly and will be more than ready to take home at Easter!

Homework of the week award

We have introduced a new award for Friday's award assembly.

This is in recognition of the fabulous homework most of our children produce. It is also to show the importance of doing homework.

We need to ensure that children are equipped to be able to complete homework, as a school we are looking at our homework offer and adapting it to meet the needs of the children.

The most important homework your child can complete is reading, this opens the doors to all other learning in school and in life.

Each Base has nominated two children for this week's homework of the week award

In the news this week

English football club, Manchester United, has announced plans to build the biggest stadium in the UK. The new stadium will cost around £2 billion, seat 100,000 spectators and will also be used for many other things, including concerts. It is thought the new development will be built close to the club's existing stadium, Old Trafford. Once it's ready, the current Old Trafford stadium may be demolished.

Things to talk about at home ...

- > What is the closest football stadium to where you live? Is it ever used for things other than football?
- > Do you enjoy watching football or other sports? Have you ever been to a game in a stadium or perhaps visited one? Ask someone at home to share their experience.
- > Share your thoughts on the new stadium. Do you think it is a good idea?

Should stadiums be used for more than just football?

Please note any interesting thoughts or comments

This letter will also be coming out separate on the e-mail. We will arrange a date for you to bring you donated bikes to school.

Protect, care and invest
to create a better borough

Dear Parent/Carer,

As you know our school is taking part in a road safety and active travel project, called **A New School Journey**. As part of this project, our school has been chosen to take part in **'Re-wheeled'**, a bicycle donation, refurbishment and recycling project. The scheme is run by Telford & Wrekin's Active Travel and Road Safety Team and asks that parents/carers or anyone connected with the school donate any unused bicycles or scooters to school on a specific date (tbc). These will be collected, assessed, repaired where possible, serviced and returned to the school for anyone who doesn't have access to a bike offering a sustainable provision of cycles for your school and pupils. **You will not receive the bikes you have donated back** but they will be used in school for cycling activities or gifted to pupils without access to a bike or scooter.

Please note: Ebikes, tandems or tricycles cannot be accepted but any standard 2-wheel bicycles and scooters can be donated.

Please indicate if you have bicycles or scooters you would like to donate on the reply slip below and return to school. The date you can bring in donations will be announced soon.
