

Outstanding Work of the Week

Writing for today supposed to be on the next page.

Sakina ~ Beluga's

16th May 2025

TEAGUES BRIDGE PRIMARY

THE BEATING HEART OF THE COMMUNITY

Dear Parents and Carers,

YEAR 6 SATS

I would like to say a huge congratulations to year 6 who have sat their SATS this week. They have completed three maths papers, reading comprehension and grammar, punctuation and spelling. These tests are under timed conditions and test conditions. The year 6 children have been absolutely amazing. Their behaviour and conduct throughout the week has been exemplary. I am so very proud of them all. They applied themselves with a positive mindset and were focused and determined. I would also like to thank the year 5 children in base 8, they moved out of their classroom for the tests and have been working in the hall during the morning sessions. Thank-you to everyone involved that made this week go smoothly and stress free. My biggest thanks to the children for giving it their best shot. They all deserve to do well.

BIKES

Recycled bikes will be collected from school Monday May 19th. If you have any bikes you no longer want please bring them along to reception before 9.30am on the Monday. All donations will be collected and made road safe and then passed onto children who are in need of a bike. Many thanks to those parents who have confirmed they will be donating some bikes.

DATES:

Dates for week commencing 19th May 2025

- 19th May - sponsored walk - Please return forms on Monday to be signed
- 20th May - 5-a-day - Base 3 and 4
- 20th and 21st May - Mask making workshops
- 20th May - Base 1 and 2 - Exotic zoo visit to school
- 21st May - Year 5 - Loudmouth production
- 21st May - Golf festival - Base 6
- 22nd May - Animal man visit to school - Base 5 and 6
- 22nd May - Base 4 open afternoon for parents - 2.30-3.00pm
- 23rd May - Base 3 open afternoon for parents - 2.30-3.00pm
- 23rd May - Break up for May half term
- 2nd June - PD day - No school
- 3rd June - Children return to school

Wed 24 Sept
Wed 28 Jan

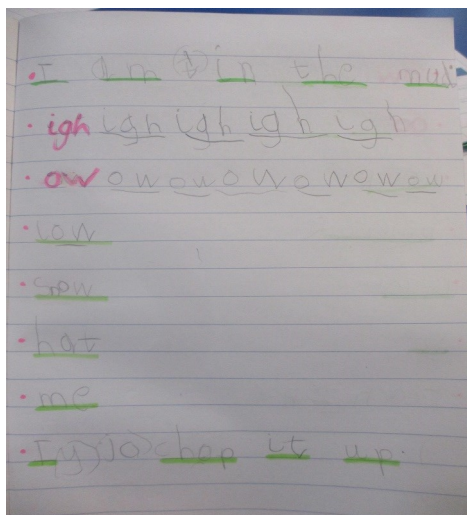

This week in Turtles Class.....

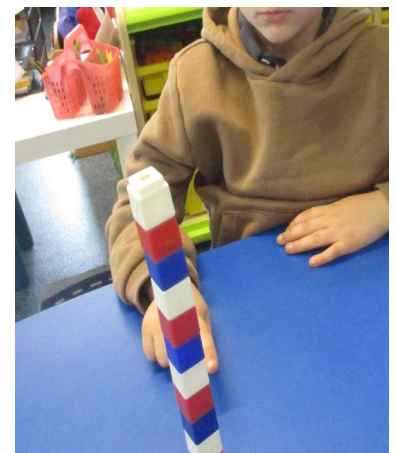

In base 1 we are enjoying our topic called 'All Creatures Great and Small'. We enjoyed our open afternoon with our parents and we created some of our own pigs. We absolutely loved our balance bike days learning how to use the balance bikes and how to stay safe.

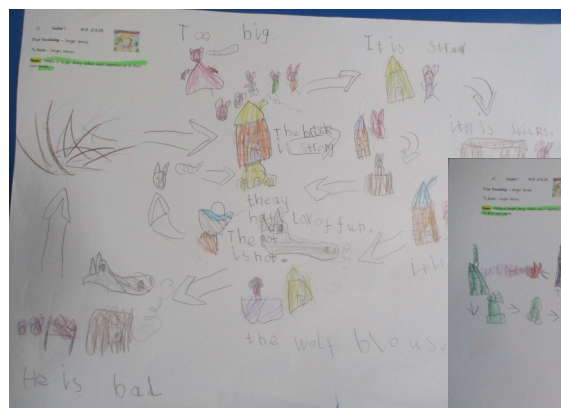

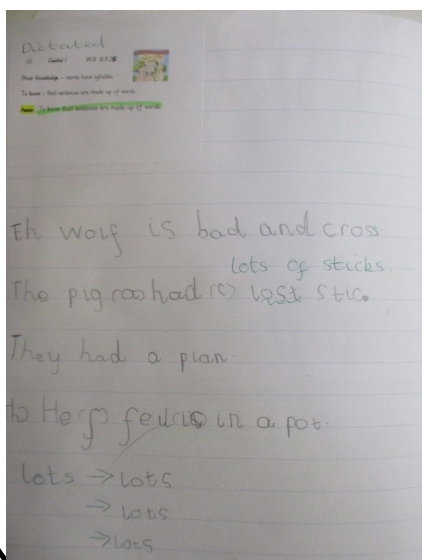

In Read Write Inc this week we have been learning our new sounds.

In maths we have been learning about repeating patterns and numbers beyond 10, matching numeral to quantity using numicon.

In Literacy we have been finishing off our learning about the story 'The Three Little Pigs.' We have been writing sentences using substitution grids and we have created our own talk plan story maps.

This week in Starfish..

We have been reading the Three Little Pigs. We have been using our writing skills to retell and rewrite the story. We are focusing on the correct punctuation; capital letter, full stops, finger spaces, and using conjunctions to make our sentences more interesting.

In Science, we have been learning about different groups of animals and the names of these groups of animals. We have learnt about reptiles, fish, mammals, amphibians and birds. We have explored what makes the animals fit into these groups.

In computing with Mr Smith, we were exploring how to use technology for research. We can use an iPad as a microscope to explore smaller creatures. Mr Smith used the green screen to put us with creatures.

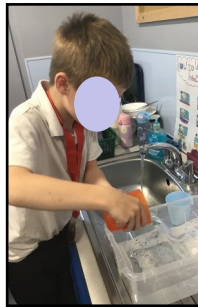

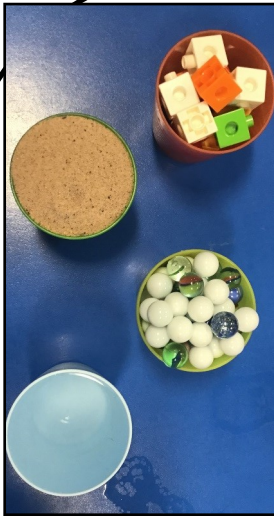

In Maths we have been learning how to add two numbers together. We have been working with larger numbers and exploring the fastest way to add numbers. We have been adding the tens and ones separately to find the total.

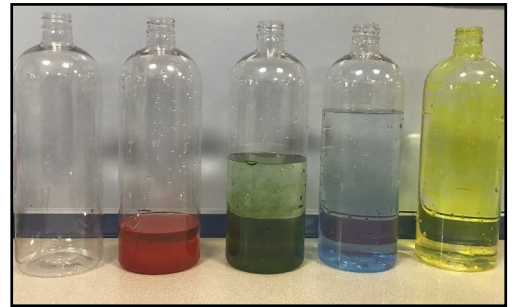

This week in Seahorses.

Maths:

This week in maths, we have completed our measurement unit in maths for mass, volume and capacity! The children have learnt to measure, compare and order with different units of measurements and found that water is the most reliable to measure volume and capacity.

cups/capacity	Container
19 cups	Medium box
10 cups	Sticker box
4 1/2 cups	big box

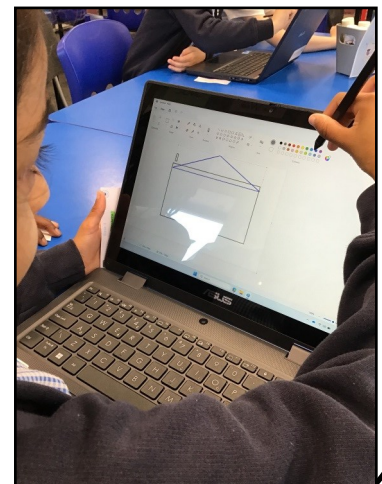

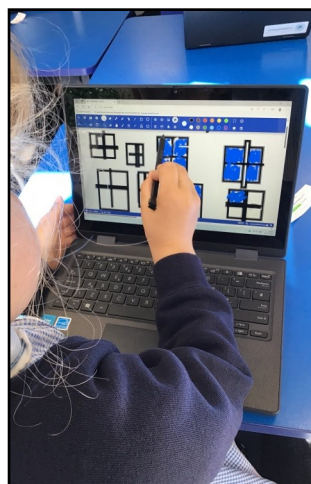

VE Day

Last week the children celebrated VE day, learning facts about why we still celebrate Victory in Europe 80 years on. We discussed why we were asked to wear red, white and blue as we created little Union Jack flags, then we met the Spitfire and created replicas of the famous plane!

ICT with Mr Smith

This week we had Mr. Smith join us for ICT where we researched Victorian houses. This led us to exploring whether .com or .co.uk meant the house was an English Victorian house, or an American Victorian house. We then used this to locate Victorian houses close to our local area, before creating our own houses on Paintz to include a chimney,

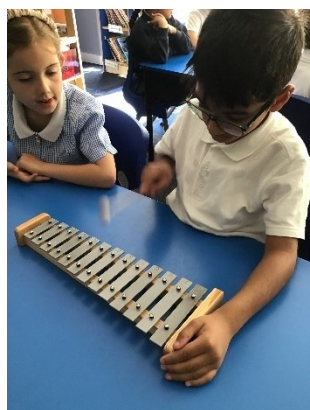

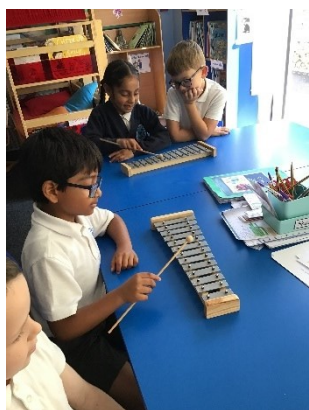

This week in Dolphins...

Music

This week in Music, children recapped previous learning of pulse, and worked on staying in time to the pulse. Children were then introduced to the musical instrument the glockenspiel. Children first learnt where the notes G and E were and learnt a simple accompaniment to the song. After that, children learnt a harder tune consisting of, B, G, A and E, which they thoroughly enjoyed the challenge of. They found it helpful to sing along the notes as they played to remind them of the sequence of the notes. Children took it in turns to play along to the song whilst their classmates sang the notes.

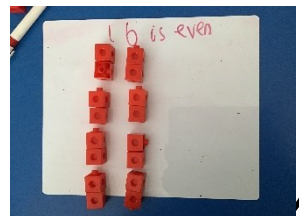

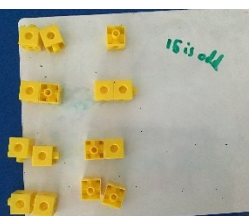

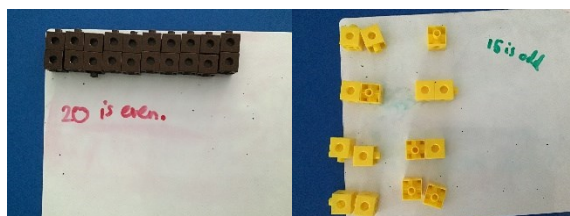

Science

As part of our science lesson children went outside onto the playground and ran a lap of the top and bottom playgrounds. Children were observing the effects that exercise has on their bodies. They noticed that their heartbeat became faster, their breathing became faster and their skin wetter (perspiration) after exercising. Everyone had a good drink of water after and understood the importance of staying hydrated. Children understood that it is important to exercise regularly to help our muscles and bones grow healthily.

Maths

Children explored odd and even numbers. They learnt that all multiples of 2 are even and end in the digits 0, 2, 4, 6 or 8. Children were able to use concrete resources to see how even numbers have an equal number of twos, but odds always have an extra one.

Homework of the week award

We have introduced a new award for Friday's award assembly.

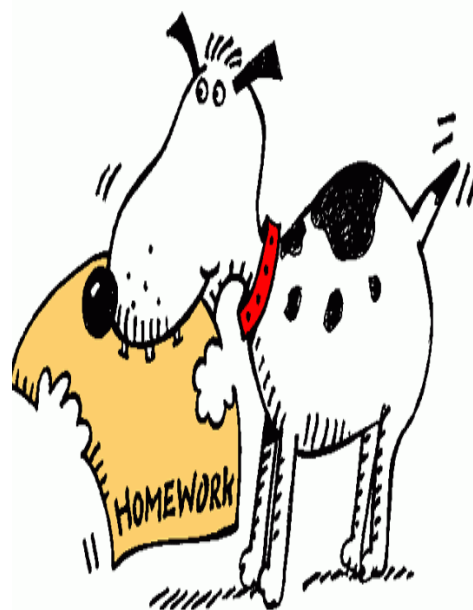

This is in recognition of the fabulous homework most of our children produce. It is also to show the importance of doing homework.

We need to ensure that children are equipped to be able to complete homework, as a school we are looking at our homework offer and adapting it to meet the needs of the children.

The most important homework your child can complete is reading, this opens the doors to all other learning in school and in life.

Each Base has nominated two children for this week's homework of the week award

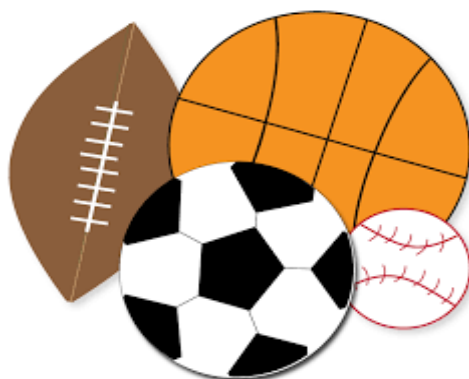

Turtles	Hope	Antoni
Starfish	Greyson	Noah
Seahorses	George	Emilia
Dolphins	Ibrahim	Michelle
Seals	Gabriella	Elizabeth
Swordfish	Jaskran	Essa
Belugas	Harrison	Lilly
Octopi	Natalia	Iris
Sharks	Thomas	

Star Player of the week award

On Monday, Thursday and Friday, all children have PE. This is delivered by the Crossbar coach. The coaches have recently introduced star player of the week from each base. This is because of the effort they make and the sportsmanship they show. Please see the children chosen for 'Star Player of the week' award this week.

Turtles	Reggie
Starfish	Ashton
Seahorses	Brendan
Dolphins	Michelle
Seals	Harriet
Swordfish	Layton
Belugas	Lilly
Octopi	Koen
Sharks	Bella-Rose

Friday Awards

Our Awards Assembly takes place on a Friday Children were awarded with their certificates in class. Please see below a list of the children who have received awards this week.

Base	Star of the week	Worker of the week	Whale Rules Champion	Respectful Rangers	Handwriting Heroes	Punctual Panda	Best attendance
1	Obie	Sadan Nicholas	Arya Remy	Daria Leon	George	Yuvraj	Miran
2	Arlo	Bella Ashton	Ellie Maria	Molly Logan	Tommy	Lottie	Lilly
3	Ashton	Ava Bridget	Jaipreet Alfie	Holly Eric	Anna	Clark	Amrita
4	Dominic	Ellie Tymo	Heidi Harnoor	Chloe Arnesh	Sohaib	Maya	George
5	Alan	Nicholas Luna	Jenaya Lillian	Ebony Leon	Nicholas	Alaya	Matilda
6	Ishaan	Charmaine Indi	Harry Dara	Theo Maya	Indi	Riley	Arjan
7	Sakina	Lilly Blake	Pradeep Emma	Freya Leo	Halimat	Harry	James
8	Layla	Kendal Jake	Darwin Clim	Audrey Lilly	Clim	Dylanjot	Koen
9	Parmeet	Jayden Britney	James Oceane	Jacob Callum	Amara	Ajai	Sufyan

Best class attendance this week:

KS1 ~ Seahorses~ 98% ~ FANTASTIC

KS2 ~ Sharks ~ 98% ~ SUPER

In the news this week

Can donating something important be a powerful way to show you care?

A vehicle once used by Pope Francis to wave and greet people—called a popemobile—is being turned into a mobile health clinic for children in Gaza. Pope Francis, who recently passed away, was the head of the Catholic Church and often spoke about helping others. One of his final wishes was to help children affected by the conflict in Gaza. The vehicle will be refitted with medical equipment, as found in ambulances, so it can be used to aid children in areas where hospitals may be hard to reach. The project aims to deliver essential medical care to those who need it.

Things to talk about at home ...

- What is your opinion of Pope Francis' decision to donate the popemobile? Why do you believe he decided to do this? Ask someone at home about their thoughts.
- Have you ever donated something? Could it be harder to donate something that's important to you?
- Can you think of examples of different times when people might donate items to help others?

Please note any interesting thoughts or comments

Share your thoughts and read the opinions of others
