

A Christmas

Message

Christmas
is love in action

Christmas message from Mrs Abdulla

Another year ends! We have reached the end of a long term and the whole school community are looking forward to a well-earned rest. We are all looking forward to Christmas and our whole staff team would like to wish you all a very happy and peaceful Christmas and a wonderful New Year.

A very busy term has come smoothly to a close, with happiness and success from all. One of the highlights for me this year has been the enthusiasm from children to deliver whole school assemblies and dinner-time clubs for KS1 children. I love the way children are keen and eager to take part in school life. I look forward to more assemblies in the Spring term. The children have delivered online safety assemblies, the importance of attendance, respect and many more. There are many more planned for the Spring term.

Another highlight was the 'Church at Christmas'. The atmosphere captures the true meaning of Christmas, and it was a delight to see a Church filled with happiness. I was so impressed with the children's behaviour and the respect shown from the audience (Parents, carers and families). It was a wonderful feeling, seeing the children perform with confidence and joy. Our aim was solely to spread some happiness, whilst reducing the stress that performances can cause for both children and staff. I am so proud of all the children in our school. These events enrich the curriculum and allow education to take place

both inside and outside of the classroom. The joy and happiness shared at this time of year is overwhelming and it is the respect from everyone that makes this so.

We have achieved so much this term, and the teachers take on all new initiatives with enthusiasm and passion. We have relaunched Multiplication Rockstars. I particularly enjoyed the Rockstars dress-up day, so many children embraced the theme. I think we should do more dress-up themed days. We have also implemented a new Art programme and Miss Fowler has been monitoring the impact. Children are enjoying art and talking about art and artists and there is evidence of good progress in their sketch books.

Everyone enjoyed the Christmas theatre performance of 'Peter Pan', it was the best performance to date. The children were laughing and singing along to popular songs that they knew. Seeing the excitement on

their faces was recognition that this was entertaining. We have secured them for next year. I have included some photographs in this letter.

Over the term several children have taken part in sporting events and festivals. Most recently, base 8 children took part in the Olympics at Lilleshall, and we came 4th out of 10 schools. This is fabulous and we are very proud of the children. Also, Annabelle was awarded with Star player and received a medal. We have been asked to take part in a hockey project during the spring term and cricket lessons will return during the spring term also. There are some pictures at the end of the newsletter.

Reflecting on the term, it must be celebrated that our attendance is just above national average and each week we monitor different groups of children. Children who have English as an additional language (EAL) outperform all groups with their attendance they are between 95% and 96% every week. A huge congratulations to these children as this is not the case in all schools. There has been an increase in a number of children's attendance, and this is thanks to the parents.

My greatest thanks go to the children for their hard work, motivation, and enthusiasm. They are all so very special! The behaviour and maturity of our children has improved greatly this term and the respect they show towards adults and each other is certainly improving. I feel privileged and proud to be the headteacher at Teagues Bridge.

I am sure that you would like to join with me in thanking all of the staff and governors at Teagues Bridge Primary School for their continued commitment to the children of the school during the year. Teagues Bridge is a great team, and we have a family ethos.

Pantomime 2025

This week we all watched the pantomime production of Peter Pan and enjoyed watching Tinker Bell and Peter teach Wendy how to fly and get to Neverland. When they finally make it there, they run into problems with Captain Hook, and he captures them all! Luckily the trusty Tick Tock Croc comes at the right time to help them out and alas! The day is saved, and Wendy is safely returned home with her dog Nana. Everyone thoroughly enjoyed joining in with the singing. The show was fantastic, and we all had lots of fun!

Base 8 Olympics

Last week, 10 children from Base 8 took part in an inter-school Olympics competition. They competed in a wide range of sports and came 4th overall! Annabelle was also chosen as Star Player of the tournament! Well done to all involved!

Christmas Lunch

This week, we all enjoyed our fantastic Christmas Dinner! We listened to Christmas music and had our lunch served to us!

It is with great pleasure that I can inform base 7 parents that Mrs. Crowe will be remaining with us for the Spring and Summer term. She is a great asset to the school. She will cover the class for 3 days and Mrs. Mackenzie for 2 days. They will work closely together to ensure the best outcomes for your children.

We say goodbye to Mr Crump today, our Crossbar coach. He has been delivering the PE curriculum through Crossbar and has done a great job. He will be greatly missed, and we all wish him the very best as he sets off travelling the world.

Finally, I would like to thank you, the parents, and the carers. Without your continued support we could not achieve the standards we set. The school operates best with your positive attitude and commitment, ensuring your children arrive on time and are ready to learn. Many thanks to those parents who have worked hard to improve the punctuality and attendance of your children.

Teagues Bridge is a forward-thinking place to learn and grow. We all are working together to do the best for the children, they are always at the forefront of our decisions. Every child is unique and special.

On behalf of everybody, we wish you, your family, and the children a stress-free and peaceful Christmas and every blessing for the New Year. I pray for and wish everyone peace and happiness in all homes and families during this holiday season.

A
Very
Merry
Christmas
And all the
Best Wishes for
A Happy New Year!

Respect raffle took place today. When children receive a respect raffle ticket, they place this in the tombola, and three tickets are drawn out.

Today's winners are:

- *Jaiton ~ Base 9*
- *Matei ~ Base 3*
- *Emilia ~ Base 4*

Attendance raffle took place today. If a child achieves 100% attendance their name gets entered into the tombola, we draw out three names who receive a £10 MacDonalds/KFC Voucher.

Today's winners are:

- *Lizzie ~ Base 1*
- *Mathias ~ Base 4*
- *Nicholas ~ Base 6*

**EVERY
DAY
MATTERS**

See you back in school on the 7th January 2026.

From Mrs S. Abdulla and the team at Teagues Bridge with heart felt wishes.
